

Stephen M. Evans Memorial Scholarship

\$2,000 MINIMUM SCHOLARSHIP Awarded to up to 3 Successful Applicants

AVAILABLE FOR STUDENTS PURSUING A B.S. DEGREE IN CIVIL ENGINEERING*, TRANSPORTATION FOCUS PREFERRED

Applicants must be an undergraduate student entering their junior or senior year in the Fall of 2022 and enrolled in an ABET-accredited engineering program majoring in Civil Engineering*. Applicants must have an interest in transportation related engineering fields, a minimum overall GPA of 2.75 on a 4.0 Scale, and a minimum 3.0 GPA in their engineering-related course work.

The scholarship is awarded and funded by the Potomac Section of The American Society of Highway Engineers (ASHE) and its members. The Potomac Section is based in Northern Virginia with members from across the Washington DC metro area.

* Non-engineering transportation related degrees will be considered. Email or call for confirmation prior to applying

ESSAY

Applicants must prepare an essay, 500 word minimum, describing the following:

- How the applicant became interested in engineering.
- The applicant's personal goals as they pertain to Transportation Engineering.
- The contributions the applicant hopes to make to the transportation industry.

SUBMISSION REQUIREMENTS

- Essay
- Official Transcript**
- Resume

Submit applications to:

Jason Cawrse, jason.cawrse@jacobs.com

Subject: ASHE Scholarship Application

Questions?: email or call 703-376-5375

**An unofficial transcript is acceptable for the March 19th submission deadline, but an official transcript will be required if the candidate is selected to receive a scholarship.

CANDIDATE SELECTION

Members of Potomac Section ASHE will evaluate the submissions. Winner(s) will be invited to attend the June 8th, 2022 ASHE meeting for presentation of award(s). Good Luck!

Application Deadline
March 19, 2022
